## Description

2024 Entegra Coach Vision XL 34G, Entegra Coach Vision XL Class A gas motorhome 34G highlights: Theater Sofa Fireplace Hutch Tri-Fold Sofa E-Z Drive Elite Outside LED TV What a fun time you'll have exploring, socializing, and venturing out to new destinations in this Vision XL Class A gas motorhome! There is plenty of space on the interior to spread out and relax with the full-wall slide and the opposing slide in the living area, and you will be able to invite friends in to hang out since you can offer them seating on the 42" x 70" booth dinette, 60" theater sofa, and 60" tri-fold sofa. Play a group game, or put on the football game with the LED Smart TV. After you've entertained everyone, you can retire to your own RV king bed back in the private bedroom. And you can even invite your friends to stay the night if you want because the dinette and sofa will provide some extra sleeping space. Trips have never been easier to plan than with the Entegra Coach Vision XL Class A gas motorhome! Since the Vision XL comes with just about anything you could need while you're out and away, you'll always feel like you're right at home. These coaches have been expertly crafted with the E-Z Drive Elite package, so you can experience the smoothest ride, and the construction is absolutely reliable with its TuffShell vacuum-bond laminated sidewalls and floor, bead-foam insulation, and one-piece, seamless crowned fiberglass roof. Before you take off, pack up the lockable pass-through storage compartments with your totes and travel gear, and then head to the cockpit where you can use the backup and sideview cameras to maneuver easily out of the driveway. The kitchen is both attractive and useful with its LED-lit, solid-surface countertops, decorative backsplash, and recessed stainless steel sink, and the water filtration system will make it easy to stay hydrated.
