Description

Stock #327406 - This RV has a full professional solar setup and the air conditioner can run off of the solar system! 2011 Fleetwood Bounder 34B Class A RV located in Round Rock, Texas. This Bounder has a professionally installed solar system which includes six 250-watt solar panels, a Growatt 6KW Inverter power management system, and four Lithium Ion batteries that total 10.2 KWH of storage. The unit can split between shore power and solar/battery or run 50amp service off the batteries. With this system, you can stay off-grid indefinitely, and in the summer months, the system will enable you to run one of the air conditioning units. Exterior features of the Bounder include an Onan 5500-watt generator for even more boondocking options, auto levelers, a gas grill, and plenty of storage space. This unit sleeps eight with a king bed in the master, mid-coach bunk beds, a sofa sleeper, and a convertible dinette. Please note the detailed feature section below for more information.
