2014 Class A Fleetwood Southwind

\$73,400

Description

Stock #390385 - 2014 Southwind by Fleetwood (36L) - Class A Motorhome in Orange City, FL Come and see a clean example of a 2014 Fleetwood Southwind 36L with the coveted bath in a half floorplan. This coach is equipped with three color full body paint and Alcoa Aluminum wheels, giving it an upscale appearance. You'll notice ample basement storage on both sides of the coach with plenty of room for all your gear. Open the exterior entertainment center and power awning and enjoy the game while tailgating. Open the hood to reveal the venerable Ford 6.8 Liter V-10 engine with over 360 horsepower. Maneuver the coach in tight areas with ease using the color back up camera and see those blind spots with side view monitors built into the mirrors. Open the door and step into the Southwind. You'll notice an open floorplan with plenty of living space thanks to the dual slide outs. Check out the cockpit equipped with dual power captain's chairs and a power night shade. There are also sunshades and blackout shades for most windows in the coach. Turn around and behold the vinyl tile flooring, solid surface counter tops, tile backsplash and booth dinette that converts into a bed. The kitchen is equipped with a large sink, gas stove and four door gas/electric refrigerator. Step into the main living room and you'll notice the large sectional style sofa/bed and large TV. Continue to make your way back and open the half bath equipped with a toilet, vanity, medicine cabinet and ample storage. Enter the Master Suite and behold the plush queen size bed, bedroom entertainment center, ample drawers and two mirrored closets. Step into the Master Bath and see the huge fiberglass shower, porcelain toilet and large vanity. The coach is fully self-contained and is equipped with an inverter and 5.5kW Onan Generator. Other than the peeling seats and faded upper front cap paint, this coach is very well taken care of. This is a great coach at a great price. Bring your offers!
