Description

Stock #340716 - ***SALE PENDING*** Clean and comfortable! Low Miles, Ready for your next adventure! 2018 Southwind 34C by Fleetwood powered by a Ford Triton V-10 engine with 320 HP Onan 5.5kW genset and two A/C for a total of 27,000 BTU's of coolness. Single solar panel 100W! Step into this luxury motorcoach. Enjoy an attractive contemporary interior. All it needs is your personal touch. What you will note when you step into the RV is the configuration. Having the kitchen as you enter with all your groceries and pantry items makes total sense. The galley has a double bowl sink, triple burner stove, microwave, and full-size refrigerator. Accessing the upholstered dinette across the way is easy, and getting up for seconds is easy! By the way, the dinette is a generous 42X72 sleeper. Then we step back into the main area to relax on the generous L-shaped sofa, which is a sleeper for two. Enjoy relaxing, watching your favorite movies, and cozying by the electric fireplace. It feels a bit more snugly settled back away from the main entrance for the RV. Step beyond the main living space to a delightful master space with convenient access to the full bathroom, generous shower, sink with vanity, and linen closet. The master bedroom is a queen bed - 60X80 Eurotop for a deep, restful slumber. The Onan 5.5 KW generator is programable to start and stop as desired. Great feature!
