Description

Stock #334707 - FR3 34DS fireplace, king size bed, washer/dryer combo. 3 TVs with one outside for entertaining guests! This 2021 FR3 34DS is a 35' Class A motorhome in Alligator, MS. Manufactured by Forest River, the FR3 lineup of RVs is among the most popular on the road today and known to have above-average quality in craftsmanship and resale value. This unit has only been used a handful of times, and the seller has to move it due to health issues. The floorplan is a great layout allowing for comfort and space for everyone. With only two slideouts, the setup is simple and quick. Among the many great options, this RV has one full bathroom and a half bath in the mid-cabin, making this an even greater value. A king-sized bed awaits your slumber in the large master bedroom, and if full-time living or long trips are part of your game plan, you will be happy to know this unit also has the optional combination washer/dryer included. Outside, the amenities continue to add up with the addition of the outdoor TV located underneath the large power awning. Can you say tailgate? Powered by the all-new Ford 7.3L V8, the performance is reliable, and this engine is much quieter than the V10 engines it has replaced.
