Description

Stock #362659 - Well Maintained! Residential Refrigerator! Plenty of Storage Inside and Out! Looking for a Great Class A RV for your family's next adventure? Look no further than this lovely 2014 Georgetown 351DS that is powered by a Triton 6.8L EFI V-10 engine that will get you down the road safely and quickly - while sipping fuel along the way. This low-mileage motor coach has a sleeping capacity for up to 8 people. It has dual roof-mounted AC units that will keep you cool on the hottest of days. The layout is spacious and comfortable from the moment you step into the RV. The cockpit includes many features to make your drive more enjoyable - 1 piece panoramic view windshield - AM/FM/CD Player - Soft touch Driver/Passenger Seats - Back-Up Camera in color - Remote and Heated Driver/Passenger Mirrors. These features and more will make this RV one you will want to check out! The cozy living room area includes a soft-touch sleeper sofa and chair. Plenty of comfortable seating options for you and your family to relax and enjoy your time together. The Galley is fully equipped with an over-the-range microwave, and a 3-burner gas cooktop with cover. The large double kitchen sink with a gooseneck faucet/pull-down sprayer has matching covers to provide additional countertop working space when needed. The three-door refrigerator/freezer with in-door ice/water dispenser is great for entertaining or just a quick drink on the go. There are plenty of cabinets above and below the solid surface countertop for storage space. The dinette - with storage areas underneath - converts into another sleeping area for your family and makes for a great space to enjoy a good meal or play a game with your family! Behind the dinette is a built-in TV that provides a great place for watching the big game or your family's favorite movie. In the hallway - across from the full bathroom - are bunk beds with TVs in both bunks. The bunks have windows and privacy drapes that bring in natural light and make the space feel larger. The two additional TVs in each bunk allow everyone the ability to watch their own show and will make this one great for the whole family! The full bathroom includes a shower with a skylight overhead for lots of natural light, an oval sink, and a medicine cabinet above and additional storage below the countertop - and of course the toilet. The large corner shower with retractable door make this one easy to use. The RV is equipped with a 6 Gallon water heater with quick recovery cycle that runs off of electric or propane. The master suite provides a great space for privacy, and comfort - featuring a queen bed with cabinets overhead for storage. The built in nightstands and lights overhead makes this space feel like your home away from home. The TV in the bedroom allow you to watch movies in bed. The bedroom area has lots of storage space - above the bed and in the closet. Windows in the bedroom bring in natural light - use the window drapes for privacy when needed. All of the RV Systems are clearly marked and easily accessible around the outside - there are large storage compartments with easy access to them around the RV. Items of note - Black Tank Flush - Remote/Heated driver and passenger mirrors - 4 TVs - Double Door Residential Refrigerator with Ice/water dispenser in the door.
