## Description

PACK UP YOUR CLOTHES, TOILETRIES, ESSENTIALS . . . SOME FOOD . . . AND YOU'LL BE READY TO GOOOO!!! Coach mileage is 85,000. Just put on six brand new tires (\$3600), and a new application of "Jet Seal Coating" (\$1,000), which is a coating put on jet planes for paint protection. We did our first coating on it when we first bought the coach from the second owners about four years ago. Completely equipped for ready travel convenience, which includes dishes, pots and pans, cutlery, kitchen utensils, baking pans, electrical appliances, storage containers, bowls, tools, portable barbecue, portable dish antenna, 5 gallon rhino propane tank, shoe racks, cleaning supplies, camping necessities, chairs, folding outdoor chairs, stools, TV, trays, area rugs, 9 x 12 outdoor rug, bed " bath " kitchen, linens, pillows, blankets, comforter and more. It has one and a half bathrooms with tub and shower in main bath, queen bed, queen sofa bed for guests, and three slide outs with awnings. The Coach had an \$85,000 renovation about nine years ago by the original owner. We are the third owners. My Dear Wife tells me at 84 years old . . . It's time to turn in the Coach keys and let someone else make travel experiences and memories with it.
