Description

Stock #344838 - Recently serviced and clean interior! Ready for the Summer Season! SALVAGE TITLE This compact Class-A Sunstar by Itasca (Winnebago) motorhome has plenty of room and interior features yet is maneuverable in size! Let's start with what sets this Sunstar apart from many other Class-A RVs: the two large bunks that make this a great motorhome for your family! Each large bunk offers its own dropdown monitor and has hookups for powering other devices. The bunks are separated from the main cabin and the master bedroom via pocket doors. But before bedtime, you'll have room to stretch inside the large living area and galley enlarged by a wide slide. Meals for family and friends are easily prepared with the large countertop, stove, microwave, and oven. This coach offers storage in dual pantries and the refrigerator/freezer. After dinner, relax on the like-new sofa and enjoy the updated flat-screen television. We are looking for people all over the country who share our love for boats/RVs.
