Description

2024 Jayco Precept 36A, Jayco Precept Class A gas motorhome 36A highlights: Two Full Baths Removable Cockpit Table Residential Refrigerator Bunk Beds with Tablet Holders King-Size Bed 300 lb. Bunk Capacity This Precept Class A gas motorhome is outstanding because of its two full bathrooms! No one will have to wait to get cleaned up after a day of outdoor fun because you have a 32" x 32" radius shower in one bathroom and a 30" x 36" shower in the other. Plus, the second bathroom is connected to the bedroom creating a delightful master suite. For compact sleeping space, you'll find a set of bunk beds, and the residential refrigerator will do an excellent job of providing storage space for all of the food needed to feed everyone. You even have more sleeping space once you fold out the booth dinette and tri-fold sofa. Before bed, you should head outside to sit underneath the 12' electric awning with LED lights and watch the exterior LED TV. The Jayco Precept Class A gas motorhome comes with some features that you'll only find on a Jayco product, like the JRIDE PLUS which offers you a powerful blend of precise handling and renowned stability on the road and the Firefly total coach control system which allows you to control your coach's operations from just about anywhere with your phone. You'll find two-point lap seatbelts in all designated seating locations, and the one-piece, seamless fiberglass front and rear caps resist wear and tear over the years. The Precept also offers you the lightest yet strongest construction in the industry with the Stronghold VBL lamination on the roof, floor, and sidewalls. You'll also be very pleased to find a 120" panoramic windshield, automatic hydraulic leveling jacks, an Onan® Marquis Gold Genset 5,500W gas generator with auto-gen start.
