Description

2024 Newmar Bay Star Sport 2813 The Bay Star Sport is built to take your family far beyond the local campground, with an available 5.5 kW Cummins generator, standard hydraulic leveling jacks, and plenty of lit basement storage. Windows can be upgraded to a double-pane variety, while power side mirrors include a defrost setting. Demonstrating the power of simplicity, the Bay Star Sport brings a minimalist design approach to the forefront, with available dark Mustang decor fabrics complemented by a light Astoria wood finish. For guests, Bay Star Sport offers an optional dropdown bunk bed or bunk sofa with select floor plans. And with two in-coach Wi-Fi options available, it's clear Bay Star Sport is purpose-built for the modern family.
