### Description

Stock #349309 - 2013 Bay Star by Newmar in great condition. 1 Full side slide. Many upgrades and additions. Enjoy the quality of driving, living, and camping in luxury with this 2013 Bay Star by Newmar. Driving to your destination, you sit in comfort and safety. All the windows are clear, with no fogginess, giving you a full view. Back-up and side cameras help you along. Turning to the living area, there is space to move about even before the slides open. A long living room slide functions nicely, providing a level floor once it is out and in place—the front seats swivel to provide even more living room seating. The appointments on this coach are in perfect condition. Quality workmanship on the all-wood cabinets and drawers is a beautiful golden ash color. The window treatments are jacquard fabric free of blemishes. A spacious kitchen has a durable counter, a three-burner stove, and a convection microwave. There is a refrigerator /freezer to keep those summer drinks cool and iced up! The bathroom has a glass door shower, wood cabinets, and a door. The master suite can be private with a sliding wood door. The bedroom is spacious, as there is another slide at the head of the bed. There is plenty of storage and a tv in the cabinetry.
