## Description

2020 Newmar Ventana 3717, Newmar Ventana class A diesel motorhome 3717 highlights: Two Sofas Booth Dinette L-Shaped Kitchen Two Pantries King Bed Four Slides Searching for a coach that will provide sleeping space for the grandkids when they get a chance to be with you? The 74" hide-a-bed sofa and the jack knife sofa, plus the booth dinette give you that feature. You can also use the two ottomans and driver/passenger seats to offer more seating when relaxing inside before bedtime. You might even like to make several meals ahead of time to store the leftovers in the refrigerator. And the two pantries will give you more room for your dry goods. The mid-coach full bathroom will allow everyone to shower and stay refreshed for shopping in town or hiking the campground trails. You will find other features to enjoy such as USB chargers at the dinette and nightstands, and a molded silverware divider tray for the organizer in the family, plus add a few options such a washer and dryer to keep the linens clean throughout your trip, powered theater seating for movie night, and/or a larger refrigerator. Built on a Freightliner tag axle chassis with a STAR foundation which is framed 16 inches on the center and is covered by a BriteTEK roof with walkable decking and integrated gutter rail, you will appreciate the quality from the very beginning. You may decide to choose a Spartan tag axle chassis offered on several units which will change the specifications, yet you will still get all the standard features you desire. Inside each Ventana you will find redesigned furniture and cabinet doors, soft closed drawers with new hardware, and polished solid surface countertops in the kitchen, bathroom and bedroom. Make no compromises, start traveling in a Ventana class A diesel coach by Newmar today, and go beyond what's expected!
