

2014 Class A Thor Motor Coach A.C.E.

\$66,500

Description

Stock #318084 - 2014 A.C.E. by Thor in great condition. Electric hydraulic drop down bed over cab. Rear bedroom has two wardrobe closets. Tons of storage! A.C.E. is an acronym for Class A to Class C Evolution. It is Thor's way of combining the best features of the two classes. Powered by the dependable and proven Ford V10 Triton engine, there is plenty of power and front and rear hydraulic disc brakes to take care of you on the road! This 2014 A.C.E. sits on a Ford Model F-Series Super Duty Chassis with ten cylinders and 362 horsepower and is fuel-injected and overdrive with 457 ft-lbs of torque. With a sleeping capacity of up to eight and a drop-down bed above the cab area that can easily fit two children, this is the perfect setup for a large family or friends traveling together. There is a queen size bed in the bedroom, a full-size bed over the cab, and two convertible beds - one sofa sleeper and a dinette sleeper. Plenty of space for comfortable slumber! The kitchen area has a spacious countertop for cooking and dishes. The seller has added a couple of extra shelves in the cabinets, so there is great space to store your cookware and miscellaneous cooking supplies. There are 3 TVs (1 in the kitchen, 1 with a DVD player in the master bedroom, and 1 outside in a lockable cabinet). Under the shower, you'll find a very convenient hideaway tray to pull out for your pet's water and food. A removable pedestal table can be placed between the driver and passenger seats. These seats have the ability to recline and swivel with comfort. At the passenger's seat, there is a great laptop tray that folds out for more convenience. The bathroom has a nice linen closet and a foot-flush toilet. The beautiful dinette has 2 seat belts and the sofa has 2 seat belts as well. There is plenty of storage in the bedroom for longer outings. The queen size bed is included for all your comforts of home. The TV in the bedroom has a DVD player and storage behind it. The bedroom has a full sliding door. On the exterior, you will find tons of storage for your gear when it's time to go on a long trip, and the large power awning makes hanging out at the campsite or tailgating a real treat! Although the tires are original, they still had decent tread. With a 6-gallon hot water tank, showers should be taken leisurely without worry. Also included is an outside shower hookup. This beautiful motorhome is prewired for cable, satellite, and TV. The 14' awning is a power-retractable awning. The owner has added LED lighting in the cabinets, which helps with the visual aesthetics. There is also an added dimmer LED over the counter and sink. If the open road is calling and you need a coach that is easy to drive and park but does not compromise on space, this ACE from Thor is the rig for you! We are looking for people all over the country who share our love for boats/RVs.
