Description

Stock #238883 - Motorhome in excellent condition, very low miles, barely used and ready to go! This is the most popular unit for first-time Class A drivers. It is smaller than some Class C's but at 30 feet can fit the whole family. Roomy when slides are deployed, but functional when slides are retracted. Meaning you can lay down or use the bathroom. One owner unit. The owner is moving out of the country and has decided to let his driveway home go. He used the unit for a few trips but mostly used it while he was building his house. He never used a stove, oven, or microwave. Very clean unit with a very nice and comfortable Bamboo mattress. We are looking for people all over the country who share our love for boats/RVs.
