Description

Stock #322085 - Awesome 2018 Class A Hurricane by Thor with extremely low mileage. A beautiful 2018 Thor Hurricane Class A coach is ready for your next adventure. This RV has features that make the RV'ing experience even more enjoyable. The RV has one slide which opens from the cab to the rear providing a wide-open floorplan. Thor, in its design, has done a great job of taking advantage of the space, maximizing comfort and convenience. It begins in the cab, where both the driver and passenger seats swivel to face the rear of the RV, and both seats recline. Above the cab, you have a powered drop-down bed. The living area has a sleeper sofa and a convertible dining booth with bench seating. The kitchen has a double-sink oven, a three-burner stove, a large microwave oven, and a stainless-steel refrigerator freezer with an ice maker. The stove has a glass cover, and the sink has a tile backsplash to protect the wall surrounding the kitchen area. As we move towards the rear of the RV, we find bunk beds that drop down and convert into bench seating. Each bunk bed comes with a small LED television. There is a sliding door that closes off the bunk area when not being utilized. The bathroom is spacious, with a large shower stall that has a glass privacy door. It includes a full vanity, mirror, and a porcelain toilet. In the rear of the RV, there you will find the master suite with a king-size bed and a new pillowtop mattress. There is plenty of storage space with a large wardrobe, dresser, and two bedside tables. The master suite also includes a 32-inch LED television. A wooden sliding door allows for privacy in this area. We are looking for people all over the country who share our love for boats/RVs.
