You're going to love the master bedroom with its queen bed slide out, 32" TV, and stacked washer and dryer, plus there are dual bath sinks in the full rear bath so you can brush your teeth at the same time! You'll enjoy hassle-free set up thanks to the Rapid Camp + multiplex wiring control system, and there is a Winegard Connect 2.0 WiFi/4G/TV antenna to keep you connected to the outside world as you're away from home. The exterior of the Palazzo features lighted storage compartments and a basement pass-through, a 40" LED TV, and invisible front paint protection to withstand the elements.
