Description

Stock #363056 - 2022 Vegas by Thor in great condition. Twin beds or King conversion. Drop down overhead bunk. This unit has been very, very, well taken care of. It has low usage, just a few camping outings. This RV can sleep eight people! It has a motorized drop-down sleeper for two over the driver's cockpit, a fold-down couch that sleeps two behind the driver's seat, and a unique king bed in the bedroom that can be made into two twins. There is a drop-down kitchenette table to a two-person bed. The upsized AC unit started and ran on 110 Volts. The front windshield shade is motorized. Driving is easy with the twin swivel seats in the cockpit and 350 HP V-10. The fold-down couch has seatbelts for three people, which allows the vehicle to carry five people. The kitchen contains a two-burner propane stovetop, a convection oven microwave, and an oversized double-door fridge that runs on propane or electricity. Thor says the unit contains an "On Demand" Hot Water system. We are looking for people all over the country who share our love for boats/RVs.
