Description

Stock #318275 - 2017 Windsport by Thor. Three new batteries, new inverter, tire covers and motorhome covers. Serviced annually by RV dealership. This 2017 Thor Windsport 35C has only been lightly used by its two owners over its lifetime and is ready for open-road adventures! The mid-size floor plan packs a lot of features normally only seen on the larger diesel Class A coaches like: - Full (mid-coach) and half (in main suite) bath - 1800W inverter for AC power on the move - Exterior TV and stereo speakers - Washer and dryer hook-up Inside you'll find an open interior with a front living floorplan. The current owners swapped out the fold-out sofa with a pair of Thomas Paine stadium-style recliners that have a full view of the entertainment center. The main suite at the rear of the coach can be closed off for privacy which also affords privacy for those using the full size over cab / drop down bed in the living space.
