### Description

Stock #380157 - Super Clean with Low Miles, Mercedes Diesel Power, Generator, Luxury Interior, Full Set of Tires Unused! It's time to move up to an Airstream Interstate Grand Tour EXT. This Class B wonder is super clean, has low miles, and is available for sale in North Florida! The Interstate Grand Tour EXT is 24' 6" of traveling luxury fitted with modern style and function. Luxury features include fine leather upholstery, rich wood cabinets, hard surface countertops, and stainless steel appliances. The combination of materials, colors, and LED lighting placement makes every day onboard a serene spa-like experience. The Interstate's smart design incorporates two sofas with nice legroom and a large sofa sleeper. When in the sleeping position, the bed approaches the size of a king-size mattress. The table can be mounted in the front or back of the unit, and the driver and passenger seats swivel for additional seating while not traveling. Onboard systems are managed by a central control center with two additional panels for easy access. The system also connects to a smartphone app via Bluetooth. For entertainment, in addition to the onboard sound system, two TVs are set on swing arms to be seen throughout the living space. Outside, the patio awning is electrically deployed and includes wind sensor functionality. The LP Quick Connect is located on the curbside of the rig, and the outdoor shower and plumbing access is on the driver's side. Mercedes' 6-cylinder diesel engine powers the RV. The Onan 2.5 KW LP generator powers the house when away from plug-in access. A hand-held remote in the cabin controls the air ride system for the rear wheels. A full set of tires (6), which are unused, are included in the sale. Don't let this one get away! Call or email with questions, or make an offer to hold the Grand Tour EXT!
