## 2007 Van Conversion Ford

**\$30,000**

### Description

Stock #278966 - 2007 Ford E250 SuperDuty Conversion Van! Line-X Coating! Solar Panel! Kitchen Area! Theft Alarm! Make an Offer! This 2007 FORD E250 CONVERSION VAN is perfect for Remote Workers, Sales Agents, Photographers, Musicians, or anyone else who travels constantly. And with the small vehicle footprint of a typical cargo van, you can travel anywhere or fit in any parking spot. Powered by a Ford Triton 5.4L V8 engine with 255HP, this van has plenty of muscle to speed down the highway or power up an incline. Plus, this van has a lift kit installed, which allows several more inches of ground clearance. Appearance-wise, this van is unique. The body is coated with durable Line-X bed liner, and the van rides on a cool set of Falken Wildpeak All Terrain Tires on HELLO Rims. Harnessing the sun for power allows you to travel off the grid to any remote location. The solar system includes one solar panel, 2 Renogy GEL12-200 batteries, and a Samlex 1500-watt inverter. This setup supplies plenty of power to run small appliances and charge laptops, camera batteries, and cell phones. Also included is a WirthCo Battery Isolator, so the house batteries will charge while driving. Want to save money on meals while you are on the road? This van can assist with a mini 12V refrigerator and a one-burner propane stove with a propane tank. Plus, clean-up is a breeze with the built-in removable sink. Freshwater is provided via a 6-gallon container using an electric pump. Also included is a powerful roof fan, compact space heater, extra gas grill, and LED lighting. Plus, the Clifford 7345X 2-way LCD/Killswitch Alarm System keeps your van and its contents safe! It's time to pack up and start seeing the world! Grab this 2007 FORD E250 CONVERSION VAN today! We are looking for people all over the country who share our love for boats/RVs.
