### Description

Stock #378968 - Converted by Carefree Camper Co August 2022! Solar system installed by Freedom RV! 455 watt solar panel, 3000 watt inverter, 24v 200Ah battery!!!!If you're looking for a quality, capable conversion van to explore America with, then this 2003 Chevrolet Express 3500 Extended RV is just what you need! Ideal for one or two people filled with the desire to hit the road and explore, this RV is equipped with 455 Watts of solar power. An inverter is included. Comfort is the key word during your travels as there are two air conditioners, plus heating, that will keep you in your comfort zone regardless of the season. The compact interior also includes a sink with faucet, counter space, a compact refrigerator, a microwave oven, a portable toilet, and a bed that can be arranged for one or two people. Oh, and don't forget the TV on an extendable bracket to enjoy some entertainment after a day on the road. On the outside, be ready for the unexpected with the backup camera conveniently located near the license plate. Come one, come all, and take a look at this Chevy. Compact enough to get you to pretty much any place that you want to go, capable enough to take care of all of your travel needs. We are looking for people all over the country who share our love for boats/RVs. If you have a passion for our product and like the idea of working from home, please visit [Careers \[dot\] PopSells \[dot\] com](http://Careers.PopSells.com) to learn more. Please submit any and ALL offers - your offer may be accepted! Submit your offer today! Reason for selling is upgrading to a larger rv. You have questions? We have answers. Call us at (941) 200-1030 to discuss this RV. Selling your RV has never been easier. At Pop RVs, we literally sell thousands of units every year all over the country. Call (855) 273-7188 and we'll get started selling your RV today.
