Description

Stock #391938 - 4 x 4 E350 customized Overlander with 7.3L Powerstroke, solar, and 400 AH Lithium batteries Say hello to the ultimate adventure van. While not categorized as an Overlander, it truly is. With custom 4x4 from AJ's 4x4 vans and huge 35" all-terrain tires, this 1999 Ford E350 7.3L Diesel Powerstroke can go almost anywhere. With 30 gallons of fresh water, 400 amp hours of LiFePO4 batteries, and 400 watts of solar, it's ready for boondocking. The custom high top provides over 6' of interior standing height. The 7.3L Powerstroke is one of the most reliable and durable diesels on the market. They frequently last 500,000 miles or more. The interior is partially finished. It has framing, insulation, electrical wire-up, walls, floors, and a cedar plank ceiling. But it still needs some finishing touches, like trim and more storage space. With the labor-intensive parts of the build already done, you can configure the interior to fit your needs. This information is provided by the seller, and Pop has not seen it yet. It will be moved from La Jolla, CA, to Flagstaff, AZ, at the end of March. We are looking for people all over the country who share our love for boats/RVs. If you have a passion for our product and like the idea of working from home, please visit [Careers \[dot\] PopSells \[dot\] com](https://careers.poprvs.com) to learn more. This listing has now been on the market a couple months. Please submit any and all offers today! Reason for selling is not using. You have questions? We have answers. Call us at (941) 200-1030 to discuss this RV. Selling your RV has never been easier. At Pop RVs, we literally sell thousands of units every year all over the country. Call (855) 273-7188 and we'll get started selling your RV today.
