Description

Description 2021 Midwest Automotive Designs Passage FD2-LOUNGE, Midwest Automotive Designs Passage Class B diesel motorhome FD2 Lounge 170 STD highlights: 2.5 KW LPG Generator LED HDTV Solar Charging Wet Bath Rear Power Lounge Don't pass up the opportunity to take a road trip in complete convenience with this Passage Class B diesel motorhome! You won't believe how much easier it will be to get some work done while you travel with the removable table in between the two opposing sets of seats. All in all, this van can hold nine passengers so that you can take the whole gang to the weekend tournament or local amusement park. The best part is that you also have plenty of modern features that will make your travels a dream, like the kitchen amenities, the wet bath, the LED HDTV, and the under-sofa storage. Plus, you can make this coach even more accommodating by choosing to add the optional power drop-down loft bed. Each Passage Class B diesel motorhome begins with the safety and performance engineering of the Mercedes-Benz Sprinter and includes luxury and convenience throughout. The Suburban water heater offers instant hot water on demand, the convection microwave and induction cooktop allow you to make meals whenever you like, and the 12 Volt/110 Volt refrigerator allows you to store cold items while traveling. The style and comfort of the hand-stitched leather seating, polished wood veneer cabinets, and solid surface countertops will impress you every time you take to the road. You also have the convenience of technology with a 100-Watt rooftop solar charging system, an HDMI input, and a location prepped for satellite TV and Wi-Fi! Sleeps Slideouts
