Description	<p>Stock #396238 - Great Condition! E-Trek Model With eight 6V Batteries and 250W Solar System! Induction Cooktop! Macerator System! This 2015 Roadtrek RS E-Trek is ideal for the RVer who relishes life on the move. Its seven-person seating capacity and four-person sleeping capacity are perfect for both long and short trips. And, you know, it's built up to a standard, not down to a price. The Mercedes-Benz one-ton Sprinter chassis is powered by the super-reliable Mercedes 3.0L CRD V-6 turbo-diesel with Mercedes "Bluetec" technology. Of course, the Roadtrek brand represents the best and the latest in its components, appliances, and accessories. This 2015 RS E-Trek provides a 240W solar panel and eight 6V auxiliary batteries. The RS's galley features an induction cooktop and an instant hot water system. Its diesel-powered water heater and furnace combination is convenient and helps reduce overall road weight by permitting a smaller LP tank. Panoramic windows from front to rear ensure all seven passengers can view the scenery in travel. When the day's travel is over, you can relax and dine in the fully equipped kitchen, which includes a single induction burner cooktop, a microwave-convection oven, on-demand hot water, a kitchen sink, and a 3.6 cu. ft. refrigerator. There's a complete shower/sink/toilet wet bath that lets you freshen up from your travels or get ready for the day on the road. Then, prepare the rear king bed for a good night's rest. It requires very little preparation and its sofa portion extends and retracts with the push of a button. If you're the kind of RVer who loves being on the road but wants your own resting place, this 2015 Roadtrek RS E-Trek is ideal. Make an offer or request a showing today! We are looking for people all over the country who share our love for boats/RVs.
