Description

Stock #320164 - 2021 ZION BY ROADTREK CLASS B, RAM 3500 CHASSIS, LOADED WITH OPTIONS! This is a very nice, clean 2021 Roadtrek Zion SRT with low mileage and loaded with options! The retired owners have had a couple of these Roadtreks and love them but have decided it is time to retire from RVing. Based on the RAM Promaster 3500 chassis - it packs a lot into a smaller space. In the rear, you have seating for five with the lounge - perfect for game night, dinner, or watching the 24" TV. There is lots of storage with the pull-out pantry and large pot drawer. The rear sofa easily converts into a king bed, and the front seats have a bed as well for sleeping for 3. Seats also swivel and have a table so they can join the fun! This SRT has the optional SUMO springs in the rear for a more controlled ride. Outside you have a nice large awning for shade, and all three steps are automatic. Inside - the well-equipped kitchen makes cooking a breeze, and the RV has a full bathroom shower. RV has both a macerator & gravity sewage disposal system, an inverter for 110V power, Firefly electronic control and monitoring system, and 330W Solar. Also included is the Thule accessory pack: bike rack, roof rack, ladder and has 5 cu ft fridge. We are looking for people all over the country who share our love for boats/RVs.
