Description

2022 Thor Motor Coach Compass AWD 23TE, Thor Motor Coach Compass AWD Class B+ gas motorhome 23TE highlights: Murphy Bed Rear Bathroom Built-In Skylight Rapid Camp+ Multiplex System Convection Microwave You'll have the perfect kitchen workspace in this Compass AWD Class B+ gas motorhome so that you can create plenty of home-cooked meals while out on the road! There are pressed laminate countertops, a two-burner gas cooktop, task lighting above the cooktop, a convection microwave oven, a waste basket, and a ceiling vent. Because of the residential vinyl flooring, you'll have an easy time cleaning up after having guests over, and the wireless phone charger with USB plug next to the 39" retractable TV will get lots of use throughout your trips. The single slide holds the sofa with pedestal table, and you can turn this sofa into a Murphy bed at night for a comfortable sleeping area. The Thor Motor Coach Compass AWD Class B+ gas motorhome is small but mighty! It includes all-wheel drive, and it is built upon a Ford Transit chassis, 3.5L V6 Eco Boost turbo gas engine, and Ford ten-speed automatic overdrive transmission. The Ford safety features provide excellent care while driving, and you can stay connected to your Compass AWD with the FordPass Connect. The power patio awning with LED lights can be moved out into position with just one touch on your cell phone thanks to the Rapid Camp+ multiplex control system. You will have a 100W solar panel with controller, a single roof air conditioner, a Winegard Connect 2.0 Wi-Fi/4G/TV antenna, and a tankless water heater as some of the top electrical and plumbing features.
