Conditions Apply. 2023 Thor Motor Coach Sequence 20JNow you can rent the Thor Sequence 20J from www.ScamperRV.com and try it out before you commit to the purchase! With our new "Try Before You Buy" program the van rental will be refunded when you purchase a new Thor Motor Coach from Southern RV. Any Scamper van rental can be applied to any new Thor Motor Coach Class-B inventory.Click here to see available rentals!One of the most fuel-efficient options in the market to take you farther; see it all in the 2023 Sequence.The Sequence features a front-wheel-drive platform that increases space under the vehicle for more creative floor plans. The holding tanks, electrical components, and LP systems are hidden under the camper van since the driveshaft is no longer running to the rear of the coach; thus, increasing internal storage capacity. The 36-foot turning diameter makes this camper van easily maneuverable.Features may include:ExteriorRAM ProMaster® Gas "Window Van" Chassis - 3500 XT3,500-lb.
