Details	Item type: For sale Posted on : 04/13/2024
Description	<p>2025 Winnebago Revel 44E Designed specifically for active outdoor enthusiasts, the all-new Winnebago Revel takes a no-nonsense approach to adventure, with a straightforward design and function-driven features. Taking full advantage of the proven 4x4 Mercedes-Benz® Sprinter chassis, the Revel's 3-liter turbo-diesel puts 325 lbs./ft. of torque through an on-demand 4WD system, complete with high/low range mode for added off-road capability. Inside, the Revel's unique features start with a floorplan designed around a 140-cu. ft. gear garage with a power lift bed. A full galley, including a 2.5-cu. ft. compressor refrigerator, makes meal prep a breeze, while the all-in-one wet bath and gear closet boasts a cassette-style toilet that eliminates the need for a separate black water holding tank. Add a standard 200-watt solar power system, diesel-powered heating, a dinette with a pull-up table that converts to additional sleeping space, and many more innovative features and the result is the new Revel: quite simply the most off-road capable RV Winnebago has ever built.</p>
