Description

2023 Winnebago Solis 59PX, Winnebago Solis Class B gas motorhome 59PX highlights: Cummins Onan Gas Generator Murphy+ Bed Flexible Showerhead Extended Wheelbase Swivel Captain's Seats Below Floor Storage This camper van with an L-track storage system is perfect for those needing more storage space for their hiking and biking gear. You can stay powered up with the Cummins Onan QG 2800i gas generator, and there is a Coleman Mach 10NDQ A/C with directional vents that will allow you to come inside to cool off after a trail ride. A Murphy+ bed comes standard, or you can choose the optional sofa/bed, and any guests that tag along can sleep in the pop-top sleeping area! You'll find the wet bath to come in handy when you want to clean up, and the dinette seating with a removable pedestal table will provide a place to enjoy your dinner at. Each Solis Class B gas motorhome by Winnebago sits upon a fuel-efficient Ram ProMaster chassis with a 3.6L V6 engine to power your adventures. You will love the cab conveniences that make each trip enjoyable, like the digital review mirror, the radio/review monitor system touchscreen, and the crosswind assist to keep you steady on the road. Some of the hassle-free amenities you will appreciate are the exterior wash station, the Eco-Hot water system, and the water center control panel located inside the right rear door. Head indoors to find heavy-duty vinyl flooring throughout, a laminate countertop and a stainless steel sink in the galley, plus tinted coach windows for added privacy. The Solis also features off-grid capabilities with its two deep-cycle Group 31 batteries and 220-watt flexible surface solar panel with a controller. Adventures awaits in the Solis Class B gas motorhome!
