Description	<p>2024 Winnebago Travato 59G, Winnebago Travato Class B gas motorhome 59G highlights: Wet Bath Corner Bed Countertop Extension Below Floor Storage Experience the comforts of home while traveling on the road with this motorhome! You can roll out of the corner 49" x 77" bed then easily exit through the rear double doors to catch the beautiful sunrise. Freshen up in the 28" x 51" wet bath with a sliding door then head to the kitchen and grab some eggs from the two door 6.0 cu. ft. compressor-driven refrigerator/freezer then fry them on the two burner range LP cooktop with glass cover and heat shield. The flip-up countertop extension will make your meal prepping easier and the cold water filtration system ensures you have clean water where ever you go. The two cab seats in the living area have an adjustable/removable table and mount to enjoy your meals at, and next to the passenger captain chair is a pedestal with pop-up outlets and mount for the adjustable/removable table! Each one of these Winnebago Travato Class B gas motorhomes are perfect for adventure seekers of all types! Their innovative features like an inflatable cab bed supported by the cab seats and convenient wet bath with an Oxygenics showerhead make life on the go easier. The rear annex extends your living space and gives you the versatility of hanging wet gear, using it as an outdoor shower, or an impromptu awning. They are powered by a Ram ProMaster 3.6L V6 gas engine with 280 HP and a 9-speed automatic 62TE transmission, plus their daily driver capabilities make them fuel-efficient too. The superior craftsmanship consists of a Truma Combi Eco Plus heating system that can run off of propane or electricity, a Pure3 energy management system on certain models, and aluminum running boards with logoed tread, ground-effect lighting and pet loop attachment so even your furry friends can come along. Choose the perfect model for you today!</p>
