Description

2022 Winnebago Travato 59G, Winnebago Travato Class B gas motorhome 59G highlights: Full-Size Bed Wet Bath Galley Kitchen Four Cab Seats 24" HDTV Rear Double Doors Set out on a new adventure in this Travato Class B gas motorhome. The swivel cab seats feature adjustable lumbar support and comfortable armrests so that you will enjoy the drive just as much as the destination. You can prepare meals each day on the two-burner cooktop, and the flip-up countertop extension will provide space to cut fresh veggies. There is also a pantry and a two-door refrigerator/freezer to store food for the week. The additional cab seats have an adjustable/removable table in front of them to give you a place to dine at each day, and there is a 49" x 77" bed in the back for you and your spouse! Efficiency meets comfort in the Travato Class B gas motorhome by Winnebago. The 215W solar panels and the energy management system allow you to go off-grid when the adventure calls for it, and the Coleman Mach 10 NDQ A/C will keep you comfortable during the hot summer months. If the weather is nice out, set up the power awning with LED lights or stay inside with the side and rear screen doors closed to keep the bugs out. Each model includes plenty of storage space, including RAM Tough-Track Mounts throughout, Anything Keeper drop-down storage baskets, plus below-floor storage for your outside gear. The Travato also includes a Corian countertop and a spice rack in the galley, a convenient medicine cabinet and mirror in the bath, plus LED ceiling lights throughout to keep everything bright and open! Some of the new additions to the Travato are the Bluetooth sound bar, Honeycomb composite insulated flooring, convenience door strap, and the monitor panels that have been relocated above the sliding door.
