Start each morning feeling well rested after sleeping on the corner queen bed then head to the rear corner bathroom to freshen up in the shower with an Oxygenics body spa RV shower head and a skylight above for added headroom and natural lighting. Now that you're ready for the day, you can grab some eggs from the 6 cu. ft. double door refrigerator and fry them up on the three burner cooktop then enjoy them at the booth dinette. The kitchen also has a countertop extension for more meal prepping space and a convection microwave oven to pop a bag of popcorn before watching your favorite movies on either the living room 32" LED TV or the 32" LED smart TV across from the bed. You could even switch things up by replacing the booth dinette for either the optional tri-fold sofa with table or the optional three seat power recliner, and even add an optional cab over bunk too! Each one of these Dynamax isata 3 Class C diesel motorhomes were designed to last for years of fun with an aluminum truss structured roof with a crowned, one-piece fiberglass skin! They are also constructed with gel-coat fiberglass walls with Azdel backing, 1 1/2" aluminum-framed, laminated sidewalls with block foam insulation, and an aerodynamic fiberglass front cap for better fuel efficiency. The 3.0L V6 turbo diesel engine is also fuel efficient and a Mercedes-Benz Sprinter chassis holds them together. The MBUX 10.25" infotainment system comes with navigation so you won't have to worry about getting lost, as well as AM/FM, Bluetooth, Sirius/XM, Apple CarPlay, and Android Auto so you can listen to your favorite tunes while driving down the highway. Come find the one that best fits your needs today!
