Description

Solid state and capable in any terrain. Marine grade, full glassed, one-piece body for those looking for a solid-state alternative to an expandable roof. Available in single cab and dual-cab chassis. ENGINEERED FOR ADVENTURE, FROM THE BULL BAR TO THE SPARE. In an EarthCruiser, every design, engineering, and sourcing decision is made with intention and informed by years of overlanding experience. Made to run with precision and reliability over any terrain you can throw at it, every single bolt, plate, and component in an EarthCruiser overland truck is chosen specifically in service of a seamless adventure. No detail has gone unscrutinized, so you can adventure with confidence.
