## Description

2024 EAST TO WEST Entrada 2600DS, EAST TO WEST Entrada Class C gas motorhome 2600DS highlights: Two Slides Full Bathroom Private Bedroom Sofa 60" x 80" Bunk Over Cab You can explore and discover so many new destinations with this Entrada Class C gas motorhome! The first thing that you'll notice about this coach is that it has extra interior living space because of the two slides. One of those slides holds the queen-size bed back in the private bedroom, and the bedroom is sectioned off from the rest of the coach with an accordion door. The full bathroom is right next to the bedroom so that you can quickly and effortlessly hop in the shower each morning. Outside of the bathroom, you'll find a linen closet which can hold your towels or toiletries, and the kitchen pantry can hold your snacks. This coach even has an LED TV for inside entertainment, so you can sit back on the sofa or booth dinette and watch with pleasure. With any Entrada Class C gas motorhome from EAST TO WEST, the construction consists of a completely laminated coach, a one-piece molded fiberglass front cap, 2-inch sidewall and walls with Azdel composite backing, a Dicor Diflex II TPO roof, and aluminum running boards. Some of the luxury package features include 12V tank heaters to camp during the cooler months, the Winegard Air 360+, plus backup and side view cameras with monitor for safety on and off the road. The interior offers Cold Crack resistant flooring for durability, a 7-foot living height for a spacious interior, and hardwood shaker style cabinets. Choose an Entrada for its tasteful design, attention to detail, bright interior and/or affordable price-point!
