This coach offers you spacious living thanks to two slides. In the main living area, the U-shaped dinette and sofa slides out to provide you with comfortable places to sit down and rest after you have been out exploring. You'll notice that the bedroom also feels open because of its queen bed slide, and the two wardrobes and linen closet across from the bed will surely provide plenty of storage space for your belongings with TV prep in between. The kitchen has a long countertop so that you can prepare meals easily with a cooktop including three burners, a convection microwave beneath, a large sink and a 10.7 cu. ft. 12V refrigerator for your perishables. The bathroom is separated with a shower along one side and a private toilet and sink opposite for added convenience allowing two occupants to be using at once. With any Entrada Class C gas motorhome from EAST TO WEST, the construction consists of a completely laminated coach, a one-piece molded fiberglass front cap, 2" thick sidewalls with Azdel composite exterior, a Dicor Diflex II TPO roof, and integrated entry step. Some of the Entrada value package features include 12V tank heaters to camp during the cooler months, the Winegard Air 360+, plus backup and sideview cameras with monitor for safety on and off the road.
