Description

2024 Entegra Coach Odyssey 25R, Entegra Coach Odyssey Class C gas motorhome 25R highlights: Corner Queen Bed Cab-Over Bunk Sofa 50" TV Outside Kitchen & TV E-Z Drive When you enjoy the outside as much as the inside, this coach makes sense! The exterior offers a 19' 8" electric awning which creates an outdoor living area where you can watch the exterior TV and make meals using the outside kitchen. When you are ready to be indoors, head inside to enjoy seating on the swivel captains chairs, the sofa or the booth dinette. Everyone can watch the 50" LED HD Smart TV, get cleaned up in the full corner bathroom, and fall asleep on the queen bed, the cab-over bunk or on the furniture that doubles as sleeping space. And the cook can make breakfast using the indoor kitchen amenities including a residential-size microwave. With any Odyssey Class C gas motorhome by Entegra Coach, the driver will appreciate the power from the 325 HP engine, the towing capacity from the 7,500 lb. hitch, the tire pressure monitoring system, the navigation from the Sony infotainment center with Apple CarPlay and Android Auto, plus the backup and side-view cameras when parking and driving down the highway. The kitchen offers full amenities including a recessed stainless steel sink with a cutting board sink cover, LED-lit countertops, a decorative backsplash, and a pop-up charging station with 110 outlet and USB plugs to keep your smart phones charged. Get ready for luxury in a Class C, choose your favorite today!
