### Description

Stock #325804 - 2009 Fleetwood Pulse 24A with one slide-out! A perfect little packet, great RV for one or two with sleeping for up to six! It's big enough to fit everything you need for that adventure and small enough to maneuver in the smallest of areas. With the slide-out, you have lots of interior space for its size. Little wear is evident in the kitchen area; the stove, sink, and countertops are very nice. The kitchen includes a three-burner stove, a combination microwave convection oven, and a sink with a lid, all on Corian countertops. The refrigerator is a good size, with a separate freezer above. A sofa makes into a comfortable jackknife bed. The shades are pull-down pleated with valances sporting a touch of blue tones that brighten the living area. The bathroom has a porcelain toilet, a shower with a tub, a sink with a vanity, and a large closet. Nice storage throughout. The living area and the kitchen slide out to give a spacious and luxurious feel. Everything is in working order inside this homelike RV. With very low miles, you can drive this RV with peace of mind knowing you have a Mercedes engine driving on a Dodge Sprinter chassis.
