Description

Stock #398113 - 2023 Forester by Forest River (2351LE) - Class C Motorhome in Dalton, PA. Walking around this unit, you will notice how clean and well-kept it is. When opening the door to enter the RV, you will see that there is a safe built-in to store your valuables. Looking right, you will see sleeping for two people located over the cab driving area. A 32-inch flat-screen TV is located there as well. Turning and walking to your left, a "U" shape dinette will be on your right. This can also be made into a sleeping area if needed. To your left, you will find a nice-sized sink and countertop area. Adjoining the sink and counter is a three-burner stovetop with a classy black burner guard. Below that is a good-sized oven, with the refrigerator/freezer directly across from it. A privacy curtain separates a recently new queen mattress sleeping area from everything else. A good-sized bathroom with a magnetic rolling shower door is to the right of that. It is set up for off-grid with the 4.0kW Onan Generator and a Solar power system. There is no need to worry about those cold nights; this unit has the Artic Package as well. Driving and backing are made easier with backup and side cameras.
