Description

I am selling my Class C RV. It is in great shape overall for her age, and has many many more miles ahead. I will list off everything that I know about the vehicle and it's condition, and am open for any questions you may have. It has 53,800 miles on it. This is the upgraded E-450 10-cylinder. This can tow anything. The exterior is on 7/10 shape. Sun damage and some cracking. Just had the roof resealed and the windows resealed. No leaks, just staying ahead of the maintenance. Over the summer we had a refurbished ac installed. 13,500 btu in perfect order. The 6 tires are in 6/10 condition. The front two are the lowest. 4 load bearing tires are still under warranty, installed 1 year ago and only 3000 miles (no time to take trips). Brakes will need to be changed. They are squeaky but still solid. No water leaks, plumbing system and water pump/heater are good. Slide and all electronics work properly. Generator has 702 hours and just was cleaned. Any other questions please ask

Basic information

Year: 2003
Condition: Used
Length: 24
Sleeps: 8
Slideouts: 1
Transmission Type: Automatic
Exterior Color: White
Interior Color: Beige
Features: Trailer Hitch
