Description

Stock #301372 - 2017 Sunseeker by Forest River well taken care of. Updated on the interior with light cabinets and beautiful flooring. Lower mileage! This 2017 Sunseeker has been loved by its owner. She wanted one that had everything automatic and easy to use. Felt better that it had the air ride feature which made for a smoother ride. This is a great RV for a first-time RV'er. So easy to drive and stop in and see places. After the sellers the first year of camping and making smaller trips. And she made it feel like home with some remodeling. It felt very comfortable, and then she made one cross-country trip. The oven and the stove are brand new, as in having never been used. There is also a brand new TV and two others that come with the Sunseeker. It was easy to take care of, so it has been kept in meticulous shape.
