Description

Stock #259043 - 2021 CONQUEST BY GULFSTREAM CLASS C RV FORD V8, HEATED TANKS, UNDER 4,000 MILES, BUNKHOUSE This 2021 Gulf Stream Conquest 6311C has been lightly used by its only owners and is ready for you to jump in the driver's seat and hit the open road year-round. The coach has heated tanks and is four seasons rated. The bunkhouse floor plan accommodates up to 10 overnight campers but still has a roomy feel to the living space. The kitchen and jackknife sofa are opposite the side entry door in the large slide out, and the convertible booth dinette is right beside the entry door. The overhead bunk space is more spacious and has the bonus of built-in cabinetry on the sidewall. A walk to the back of the coach has the twin bunks on the left. Each of them has its lighting, AC power options, and privacy curtain. The full bath is across the hall and a knock-out space where a TV can be installed for viewing from the twin bunks. The queen bed is side-mounted in the coach with space to walk down each side and a built-in nightstand on each side. There is plenty of closet and drawer space in the main bedroom, as well as another full hook-up for a TV. We are looking for people all over the country who share our love for boats/RVs.
