Description

Stock #363310 - 2016 JAYCO REDHAWK 31XL class-c coach with low mileage! This 2016 Redhawk 31XL is a 32' class C motorhome located in Sachse, Texas. Manufactured by Jayco, the Redhawk lineup of motorhomes is recognized as a class leader in the segment and has long been known for resale value and great quality. This one does not disappoint with some nice add-ons like the electric self-leveling jack system, second a/c mounted underneath the master bedroom for extra cooling, and many more options. A bunk model giving you the ability to sleep up to 8, this rig is perfect for a large family or when you have a need to accommodate a larger travel group. The seller replaced the sofa with the theater-style double recliner for more comfort but all other sleep options still remain. Outside you will find plenty of storage for all your gear and the large power awning is a great place to escape from the sun. If the open road is calling your name and Jayco quality is your requirement, this Redhawk may be the rig you have been looking for.
