Description

Description Keystone Passport GT travel trailer 3352BH highlights: Dual Entry Doors Bath and a Half Private Bunkhouse Front Private Bedroom Pass-Through Storage It's a clean decision to choose this travel trailer with a bath and a half ! The half bathroom even has one of the dual entry doors to the unit for a quick bathroom break while playing outside. Inside the rear private bunkhouse is a 38" x 74" bunk across from a slide with a 28" x 74" top bunk above two k-cubes. The chef can prepare their best meals with the three burner cooktop and flip-up countertop indoors and outdoors with the outside kitchen that has a pull-out cooktop and refrigerator. Enjoy your meals at the U-shaped dinette and relax on the tri-fold sleeper. You could even swap them out for the optional pivot furniture for versatile living with the ability to flip back and forth between a dinette or sofa option. The walk-in pantry is big enough to store everyone's snacks and the walk-through bathroom is easy to access especially for those staying in the front private bedroom! Each one of these Keystone RV Passport GT travel trailers offer grand style and multi-functional features! They have best-in-class storage for big things like paddle boards and small things like sleeping bags. There's no need for cordless drills and bending over to put the jacks down, simply push a button and the power stabilizer jacks do the rest. The one piece polypropylene underbelly protects your units vitals in all weather conditions. Exclusive to Keystone is the Tru-fit slide construction and the Hyper Deck flooring which is more resilient, stronger and lighter than the traditional laminated wood construction, plus it resists water and water damage. In-floor heating ducts help to heat the unit with the 30,000 BTU furnace and the color-coded unified wiring makes it easier to see where they connect to.
