Description

Stock #372413 - This RV was SOLD on May 2. This is a solid Class C Camper built by the Thor Motor Coach. It is a perfect size for extended trips or short weekend getaways. Solar panels were added to this coach to enhance the ability to stay in remote campsites for extended periods. The size is perfect for towing an off-road vehicle or a boat. It is compact enough to launch a boat yet big enough to camp in luxury. It is the perfect rig for people who love the outdoors. From the minute you enter the coach, you will see all the comforts of home. The kitchen has a 3-burner propane stove and oven, a full-size microwave, a dinette that turns into a bed, and a full-size refrigerator/freezer. The master bedroom sports a queen size bed, plenty of storage, and a TV, and when there are family members or other guests along, there is a cab-over bed as well. It has a large flat-screen TV mounted on a swivel above the cab and a smaller one in the bedroom. The bathroom has a shower, vanity, and sink. This Daybreak has everything you need when not at home.
