FOR SALE: WELL MAINTAINED AND READY TO ROLL! 24' Class-C THOR SIESTA RV - LOW MILES!

\$119,700

Description

Well-maintained, gently used 2018 Thor Motor Coach Siesta Sprinter 24SR RV is ready to roll for Summer adventures! Diesel Engine, Mercedes Chassis, 47,223 Miles. 8,000 lb Tow Package. It's small enough to back into most parking spaces and campsites. Full Engine and Transmission Service, NEW TIRES, and Awning arm replacement in April 2024. This compact home-on-wheels is in immaculate condition, professionally cleaned and has been very well maintained. Stored inside during winters, but equipped with full body and tire covers for outdoor storage. 20/30/50 Amp Service, Full bath & shower, Full Kitchen, Bedroom & Dinette slide-outs, over-cab bunk, AC/Gas furnace, two interior and one exterior TV's, and LOTS of storage space. I purchased this last Spring from a private seller, for use in work on project sites and family vacations. I no longer work with that company, and don't intend to use it this year so am offering it up to someone that may have need of it. Everything is in great shape, and I just ran it through all of the services, transmission service, replaced all 6 tires, and an awning arm that had caught on a branch last year. Both the interior shows little wear, save for a drawer that doesn't latch well. The leather front seats show some wear, and could be spruced up with seat covers. Otherwise, there isn't anything wrong with it. It's been easy to drive, use and maintain for one person. We fit three adults comfortably without ever feeling cramped for long stays. We didn't even use many of the features. It's currently up-to-date on all maintenance, tires, brakes and tanks are winterized. It's 100% ready for the 2024 camping season. 2018 Thor Siesta Sprinter condition: excellent cylinders: 6 cylinders fuel: diesel odometer: 47,223 paint color: brown rv type: class C size / dimensions: 24' title status: lien transmission: automatic SPECIFICATIONS Maximum Sleeping Capacity 5 Number Of Slideouts: 2 Length (ft-in / m) 25' 7" / 7.8 Interior Height (in / mm): 80 / 2032 Air Conditioning (BTUs): 13500 Heater (BTUs): 30000 Fresh Water Capacity (gal / L) 36 / 136.3 Gray Water Capacity (gal / L) 24 / 90.8 Black Water Capacity (gal / L) 22 / 83.3 Propane Capacity (gal / lbs) 16.1 / 68.2 Water Heater Tank (gal / L) 6 / 22.7 Master Bedroom: Queen Bed / Slideout Kitchen Dinette: Pedestal Table Interior Flooring Type: Vinyl Rear Video Camera Slideout Awning Leveling Jack Type: Front Power / Rear Power Power Retractable Entry Step 13,500 BTU Central/Ducted Furnace Single Induction Burner w/ additional plug-in burner Microwave/Convection Combo 32 Flat Screen TVs - 1 Bedroom/1 Dinette CD Player (Multiple) Auto Generator Start System 3.4 - 3.6 KW Propane Generator Bathroom Fan Cruise Control Exterior Entertainment Center Outside Shower Rear Vision Camera/Monitor Skylight Upgraded Leather Sofa/Sleeper Power Awning 10-15' (Each) Slide-Out Awning 5.5'-6.5' Slide-Out Awning 8.5'-9.5' 20/30/50 Amp Service Auxiliary Battery (2 Each) Storm Windows Power Slide-Out Bedroom Power Slide-Out Dinette TV Antenna Vegetouch Control Panel

Basic information

Year: 2018
Stock Number: TC24SR-18
VIN Number: WDAPF4CC8H9713622
Condition: Pre-Owned
Features: Trailer Hitch
Length: 24
Sleeps: 5
Slideouts: 2
Transmission Type: Automatic
Exterior Color: Tan
Include your profile in the posting: Yes
