## 2018 Class C Winnebago View

**\$105,000**

### Description

Stock #371900 - 2018 VIEW BY WINNEBAGO 24J CLASS C SLEEPS 4 WITH SUPER LOW MILEAGE\*\*\*\*\* CERTIFIED SINGLE OWNER \*\*\*\*\*Introducing the epitome of travel luxury: the 2018 Winnebago View 24J Sprinter. Built on the reliable Mercedes-Benz Sprinter Chassis. Crafted for superior control with or without a tow vehicle, the hydraulic brakes with ABS and a 5,000 lb trailer hitch ensure a safe and confident ride. The elegance continues with sleek aluminum wheels that not only enhance performance but also elevate the RV's overall aesthetic. Inside, indulge in the sophistication of pleated windshield blinds and high-quality laminate countertops. The kitchen is a chef's dream, featuring a double sink, double burner stove, oven, and microwave, making culinary creations on the road a delightful experience. Accommodating up to 6 people, the 24J offers multiple sleeping options, including a cab-over bunk, sleeper dinette, and a cozy corner bed. Natural light fills the space through skylights in the bedroom and living area, creating an inviting ambiance. Stay connected and powered up with the 1000-watt pure sine wave inverter and the 3.6kW LP generator, ensuring your devices stay charged and ready for your adventures. Safety is paramount, evidenced by the presence of a child seat tether anchor, providing peace of mind for families on the move. Designed for easy maintenance, the RV features practical vinyl flooring, allowing you to focus on making memories rather than worrying about cleaning up after your adventures. In summary, the 2018 Winnebago View 24J Sprinter offers more than just a journey; it provides an unparalleled travel experience. Embrace the road with unmatched style, convenience, and comfort. Your adventures await in this meticulously crafted Winnebago RV, where every moment is a testament to the joy of exploration. We are looking for people all over the country who share our love for boats/RVs. **Switching on the refrigerator** Push the on/off switch and hold it for one second. A light in the on/off switch will turn green.  
**Powering with gas** (12VDC necessary for gas operation)  
 For operation with LED or LED+ push the mode/select button. When in selection mode, press select button until LED is green. If LED is red, it will blink. Switch the safety valve closed and LED will start blinking. Switch the refrigerator off and on again and select the gas source again.  
 For operation with LCD push the source selection button until LED appears. If gas does not ignite in 30 seconds, the safety valve closes and the display will start blinking. If gas does not ignite after several attempts, consult your dealer or authorized Thorford Service Center.  
**Switching off the refrigerator** Push the on/off switch and hold it for two seconds. All lights will go out.
