## Description

2024 Alliance RV Avenue All-Access 28BH, Alliance RV Avenue All-Access fifth wheel 28BH highlights: Queen Bed Bunk Beds Bike Storage Door Dual Reclining Theater Seating Swing Mount 40" Class HDTV Your family will enjoy traveling in this bunk model including two 42" x 74" bunks featuring storage beneath that can be accessed from outside using the bike storage door, or by lifting up the lower hinged bunk from inside. The combined living room and kitchen area is spacious thanks to the large slide which houses the floating dinette table, the 10 cu. ft. 12V refrigerator and pantry. There is more seating adjacent to this slide. Here you will find a sofa, and all seating can easily view the swing mount 40" Class HDTV. In front, you will find a spacious side aisle bath including a 30" x 36" shower, toilet, vanity with a sink and medicine cabinet, plus linen storage as well. And don't overlook the front private bedroom with a walk-around queen bed, dual nightstands, plus a bedroom closet to keep your clothes wrinkle-free! A benchmark chassis creates a space saver upper deck with each one of these Avenue All-Access fifth wheels by Alliance RV! The 101 in. wide-body construction gives you more room to walk around and the flush slide out floors throughout prevent any tripping. There are Azdel composite sidewalls inside and out, and a seamless fully walkable PVC roof for extreme durability and zero maintenance. You are sure to love the "no carpet zone" making each Avenue easy to clean and allergen free, not to mention pet friendly with vinyl flooring throughout. You can maximize your space throughout with innovative storage solutions like the hidden storage behind the TV, inside the end tables, ottoman, and dinette chairs. There are a few available options you might like to add to further customize your fifth wheel, like the optional second 13.5K A/C or the optional Solar Package for off-grid camping capabilities!
