The large full bathroom might be the reason you decide to be a owner because you will have a large 61" x 30" shower to get cleaned up in, linen storage, and a walk-in closet with a hamper, shelves, and a space prepped for a washer/dryer option. The bedroom allows you to sleep like a king and gives you extra floor space with the two slides, and storage in the flip-top dresser and under the seat, plus you can watch the Smart TV. The space saving sliding doors offer style as well. The cook will love all the residential appliances, you can even choose the residential refrigerator option. The kitchen island gives you a stainless steel farm sink and a place to add a dishwasher option. The half bath is super convenient just like the entry sitting bench/coat rack and closet. And you can relax on the sleeper sofa or the dual recliner love seat. There is so much more to see! With any Paradigm fifth wheel by Alliance RV, you will experience the next generation advanced frame technology with heavy duty performance running gear. The Benchmark chassis features solid steel 10" I-beam main rails with a 2" torsion tube welded where the running gear attaches, drop frame storage area, flush upper deck design, reinforced goose neck area and a Rota-Flex pin box. The six-point hydraulic auto leveling is faster, stronger and quieter allowing you to enjoy more time away, and the PVC roof is more puncture resistant, ultra bright white and more solar reflective to help keep your fifth wheel cool. The triple 13,500 BTU A/Cs are ultra quiet, independently controlled direct flow A/C units that maximize cooling capacity, plus the 40,000 BTU furnace has flex ducts connected to formed ducts in the floor, and there are dedicated heat vents into the basement and underbelly to keep the tanks and your gear cozy warm during the cooler seasons. Choose luxury, choose convenience, choose to own the best, a Paradigm!
