## Description

2021 Alliance RV Paradigm 372RK, Alliance RV Paradigm fifth wheel 372RK highlights: Two Sleeper Sofas Dual Recliner Love Seat Huge Residential Shower No Carpet Walk-In Closet Industry's Largest Oven This Paradigm fifth wheel has an amazing rear kitchen that will make it both easy and enjoyable to prepare dinner each evening! The Insignia microwave, Insignia four-burner range, 3.73 cubic foot oven, 18 cubic foot refrigerator, and preparations for a dishwasher are just a few of the features that truly make this kitchen great. You can sit down at the floating dinette table with chairs to enjoy that meal, or you can head into the living room to sit back on the sleeper sofas or the dual recliner love seat. The dimmable LED lighting makes it easy to adjust the brightness level of the interior, and the two Smart TVs are super convenient to have when you have to stay inside because of the rain. The Paradigm fifth wheel from Alliance RV is absolutely a dream to own because it combines high quality and luxury with features that you have specifically requested over the years! Some of the exterior customer-driven features are the Benchmark chassis, the G-range tires rated at 4,400 pounds, and the MorRyde CRE3000 suspension, and the Paradigm offers some of the industry's largest tank sizes at 98 gallons for fresh water and 106 gallons for gray water. The PVC roof covering will do an excellent job at protecting your RV from water intrusion, and it has increased solar reflectivity. You won't find any carpet in the Paradigm, and another great feature that has been reconstructed to meet the customer's needs is the flush-floor slide. The soft-close doors and drawers with magnetic catch are a high-end residential feature that isn't typically found on other RVs, and the excellent hidden storage capabilities of the Paradigm will surprise you when you find them.
