2021 Fifth Wheel Alliance RV Valor

\$102,000

Description

Stock #368641 - Excellent condition! Tons of storage! Beautiful interior! This 2021 Valor Fifth Wheel is the perfect home on wheels! It's great for road trips with friends and family and, all in all, any vacation you might want to take! This Valor comes with a residential fridge/freezer and a 4-burner stove and oven. This trailer is solar installed from the factory. Alliance is replacing the discolored counter tops with gray. As you enter from the side door closest to the hitch, you find a lovely living space with a pull-out couch and a regular lounging couch. There is a 50" flat-screen TV mounted above the fireplace with Bluetooth and aux hookup. The kitchen comes with just about anything you need: a 4-burner stovetop and oven, a full-sized fridge and freezer, a single kitchen sink with a drying rack, and a convectional microwave and hoodfan. The kitchen offers plenty of cabinets, drawers, and a pantry for all of your traveling needs. As you head towards the bedroom, you have your control center, which allows you to put out the awnings, slides, and more! The bathroom is next and provides you with a toilet, a single sink, cabinet space, and a walk-in shower. The bedroom is equipped with a queen-sized bed, a 32" flat-screen TV, an AC unit, windows, and lots of closet space as well. The barn-style doors also give you easy access to the bathroom. To the rear of the fifth wheel, you'll see a nice and cozy overhead bed, a 32" flat-screen TV, another AC unit, and drop-down couches that convert to full-sized beds as well. As far as the exterior of the Valor, you just couldn't ask for more! It is equipped with three slide-outs and two awnings that cover the whole entry side. There is plenty of compartment storage space, two tanks of propane, and an exterior shower. The sellers just love the 32" flat-screen TV, mini fridge, and cabinet space.
